

# Gourmet Barbeque

## **Buffet table service 3 mains and 2 sides**

Shared food creates a relaxed and inclusive atmosphere, so Fiasco's gourmet BBQ option is the perfect way to recreate the fun of a family gathering. Think large Italian lunch. Our chefs cook generous feast fare such as succulent pork loins, lamb ribs, or whole fish on site and guests are free to fill their plate as they like. Meat and vegetarian dishes are served from buffet tables attended to by our friendly wait staff. It's easy and informal, with the same top quality of food and service we are known for.
